March 30th 2016

To: Holders of unredeemed Promotional Scout Bucks

From: Mark Little, Commissioner - Chinook Council

CC: Fiona Nicholson, Executive Director – Chinook & Northern Lights Councils
Doug Smith, Operations Manager – Prairie Councils

Chinook Promotional Scout Bucks must be redeemed before August 31st 2016

Holders of Chinook Council Promotional Scout Bucks,

Historically Scout Bucks were awarded as a promotional item to recognize the efforts of Scouts who fundraised as part of the annual Popcorn Campaign. The Chinook Council's Scout Bucks Promotion was cancelled, effective January 1st 2015 and no promotional Scout Bucks have been awarded since the end of the 2014 popcorn campaign.

As a result of the previous popcorn fundraising campaigns we have been carrying a liability for unused Scout Bucks on our financial books for several years which we can no longer afford. We are cancelling this program and are thus providing current holders 6 months to redeem their existing Scout bucks. At the end of that time, Scout Bucks will no longer be accepted for redemption in any Scouts store, transaction or for registration.

IMPORTANT NOTICE:

Scout Bucks accumulated prior to March 30th 2015 must be redeemed through the Chinook Scouts Store or group Registration for the 2016/17 Scouting year **before 4 p.m. on August 31st 2016**, or they will be forfeited.

Contact Prairies@scouts.ca if you have any questions.

Sincerely,

Mark Little

Commissioner - Chinook Council
