

Wood Badge Part II (2) for Canadian Path Recognition  
Request **CHINOOK COUNCIL**

Council review and approval will be focused on the outcome that Scouters have the knowledge and skills necessary to facilitate a quality program and that the following Scouter outcomes have been met:

Scouter Wood Badge II Outcomes:

- Scouters ensure that programs are conducted safely; consideration is given to both the physical and emotional safety of youth.
- Scouters engage in planning to facilitate (rather than deliver) youth-led Scouting activities.
- Scouters know how to provide formal and informal leadership opportunities for youth.
- Scouters promote regular adventures and understand that “adventure” is not synonymous with “challenge”.
- Scouters understand that SPICES are the “why” of Scouting and regularly review development of the SPICES with youth.
- Scouters facilitate balanced programs using the six Program Areas.
- Scouters enable youth to showcase personal progression and skill development to parents.
- Scouters know how to facilitate a program that functions primarily in small groups (i.e. Lodges, Lairs, Patrols, Expedition Teams).
- Scouters ensure that Plan-Do-Review is a routine part of each adventure.
- Scouters will understand the role of badges and recognize personal development appropriately.
- Scouters actively seek the knowledge and skills required to effectively contribute in their role.
